

Nissan Forklift Masts

Nissan Motor Co. Ltd prides itself on attaining total customer fulfillment when enjoying one of their car, truck or forklift products. They are fully committed to providing high value and detail-oriented quality standards to their customers. Incorporating a prosperous heritage combined with resilient manufacturing principals, Nissan Forklifts supply many of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering consumer support, the company has four independent manufacturing facilities that permit them to continually adapt to their consumers continually evolving requirements by providing an array of modern ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are committed to the design, manufacture, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental responsibility by using techniques and procedures that minimize their environmental footprint. These high standards remind consumers that Nissan operates under the quality seal that their clients demand whilst being an environmentally responsive organization.

Nissan is certain that they will be able to address any consumer inquiries or considerations. Always available through their website or by calling 800.871.LIFT, reaching one of their locally authorized dealers or even going to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and commitment.
