

American Lincoln Parts

The American Lincoln division is now associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines that are known within the industry as durable and strong machinery which satisfies all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These types of scrubbers are on the market under the trade mark name "Encore". American Lincoln can provide equipment, components and warranty service for these types of scrubbers which have both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility managers where results and efficiency matter. Lately, this floor scrubber model has been utilized by the architects in different construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on site because of the model's utmost performance level and excellent quality for polishing concrete.
