

Genie Forklift Parts

Genie Industries prides itself with the belief of lifting clients and materials higher, extending beyond the products they design. A global corporation that is completely tied to their consumers and enjoys reflecting the spirit of relationship with all they accomplish. Genie Industries strives to help clientele build their operations no matter how large or small the level of operation may be.

In 1996, with the introduction of the Genie Hoist, which is a pneumatic, transportable material lift spawned the beginning of Genie Industries. A series of aerial work platforms and additional material lift trucks followed to satisfy customer demand. These progressive goods secured universal acknowledgment and established modern product design.

Presently, Genie Industries is a subsidiary of the Terex Corporation. Among their highest priorities are to assemble and maintain foremost quality construction and uncompromising level of support and service. With clients from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured material lift trucks on the jobsite, the business is firmly planted in their exceptional customer values and service. Acknowledging that their users are their greatest inspiration, the team at Genie Industries are personally committed to offering expertise and maintaining customer rapport.

The reliable team is committed to greener, more environmentally sensible solutions to develop the goods that customers want. Genie Industries focuses on "lean production" practices in order to help limit waste while building very high quality lift trucks in the shortest time period at the lowest possible expense for the consumer. The staff at Genie Industries is proud to serve the industry and this is reflected in every invention they produce. Always welcoming client contribution allows them to produce and cultivate progressive new products that are effortless to service and handle, deliver optimum value-for-cost and satisfy worldwide standards. Thriving on client advice helps Genie Industries to continually evolve and satisfy the consumers' requirements.

Genie's service experts are eagerly available to provide solutions to the questions you may have in order to keep you fully operational. Their expansive parts network will swiftly dispatch parts to guarantee their customers' equipment are operating efficiently. Each product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on customer success. They assemble and service their goods to maximize performance and uptime on the job. Providing on-going education opportunities, to marketing support to adaptable financing possibilities, Genie Industries offers their customers the tools to get the most out of their purchase.
