

Nissan Forklift Parts

Nissan takes great delight in achieving overall customer satisfaction, when their consumer is experiencing one of their many products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to delivering high value and detail-oriented quality values to their customers. Incorporating a rich heritage combined with resilient manufacturing principals, Nissan Forklifts supply many of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide requirements of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering consumer support, the business has four independent manufacturing facilities that permit them to constantly adapt to their clients continually evolving desires by providing a variety of innovative ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are committed to the design, fashioning, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to sustain environmental responsibility by using methods and procedures that limit their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their clients require whilst being an environmentally aware organization.

Nissan is quite convinced that any of their customer's inquiries and customer considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their community endorsed sellers or even traveling to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
