TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over sixty years combined experience with successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to giving new design concepts and top quality in order to meet the diverse requirements of their clients.

TREK Cleaning Machines always provides fresh design ideas as proven in their product development. They enjoy offering items that energize both their partners and their dealers and offer production gains to their customers.

The team at TREK enjoys dealing with new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' skills and requirements together with their knowledge of cleaning applications, together with owners' strong desire to significantly lessen expense through productivity gains.

The personnel at TREK and their dealer-partners are really devoted to having both technical support and parts obtainable when it is needed. Their high service commitment is among the core values in their customer service. Keeping their customers' cleaning equipment ready and functioning day after day is top priority. The company's top of the line technology delivers dependable machine that ultimately reduces your cleaning expense. The price, the service and the product all work together to make them the leader in the trade.
